Good Afternoon [REDACTED]

[REDACTED] has requested that we provide the names and relationships of all companies manufacturing the Prism gloves for the current delivery order for SNS. This information is required for them to make a determination on the acceptability of Prism Lot # 21073552, which is the lot that has varying expiration dates (some 3 year and others 5 year).

Appreciate any additional information that you can provide as soon as possible.

Meghan
